OFFICE OF LEGISLATIVE COUNSEL

Monday - 8 June 1970

25X1 1. [] JMM) Talked to Chairman David Henderson, Subcommittee on Manpower and Civil Service of the House Post Office and Civil Service Committee, regarding S. 782 (Ervin bill). Henderson said that:

a. He plans to take up the bill in executive session and report it without hearings in the fairly near future--perhaps this month.

b. He personally will support a complete exemption for the Agency but cannot predict the position of other members of the Subcommittee or the full Committee.

c. He cannot delay action on the bill indefinitely and would like to hear from the Executive agencies concerned within the next two weeks.

d. He recommends that agencies seeking full exemption make the strongest possible case in their formal response to the letters he has sent requesting views.

e. Meanwhile he thinks we should explain our problem privately to members of the Subcommittee and try to get their support.

25X1 2. [] - JMM) Briefed Russ Blandford, Chief Counsel, House Armed Services Committee, on Soviet Y-class submarine deployment, possible Moscow visit by Nasir, ChiCom aircraft production, Soyuz-9 mission, Soviet MRBM deployment, and the situation in Cambodia.

25X1 3. [] - JMM) Briefed Ed Braswell, Chief of Staff, Senate Armed Services Committee, on Soviet Y-class submarine deployment, possible Moscow visit by Nasir, ChiCom aircraft production, Soyuz-9 mission, Soviet MRBM deployment, and the situation in Cambodia.

Braswell said he would like for Senator Stennis' benefit updated figures on the number of North Vietnamese and South Vietnamese troops now operating in Cambodia, and the effect of the fighting on the Cambodian economy.
